# SCHOOL

## 1961

In a few more days the doors of our school, Clyde High, will close upon another school year. Another chapter of our life's history will have been written. Some of us will go forth to meet the tomorrows which stretch uncharted before us, while others will return to continue their academic studies.

Our school has attempted to help develop everyone of us in two ways. First, it has tried to make us more aware of the world and provide the basic skills which are required to get along in society. Second, it has presented us with examples to follow in making our contributions to the world in an intelligent manner.

Never neglect to do the simplest task to the best of your ability; to make use of the better chances and opportunities that may come your way; to lend a helping hand to the distressed or to say the kind word or words that will bring comfort and cheer to a saddened heart.

## *Dedication*

This year the class of '61 is very honored and proud to dedicate our 1961 COURIER to Mr. Crabtree. As our assistant principal, he has helped all of us in many ways.

Mr. Crabtree was born in Fort Lauderdale, Florida, on August 16, 1926. After receiving his diploma from Fort Lauderdale High School in 1944, he enlisted in the Navy for two years. When he was discharged from the service, he attended Bowling Green State University. He then transferred to the University of Miami, where he received his B.S. in Education degree in 1950, majoring in mathematics and minoring in journalism. He received his Master of Education degree in 1955 from Bowling Green State University.

In 1948 he married Pat Robbins. He is now the father of two children, Scott and Allyson. In his spare time he enjoys singing with the "Hickory Sticks" and playing in a band.

We seniors feel this is the least we can do to show our appreciation for all he has done for us and the school. With all sincerity, we thank him!

## *Superintendent*

We are very happy to welcome Mr. Van Atta into our school system as our superintendent. We hope that he will find the satisfaction and pride which he had anticipated when he took this position.

## *Board Of Education*

Many thanks go to our Board of Education for the constant attention being given to the development of our school system.

We are truly grateful for all the fine additions that they have helped put into our school, and we will try to use them to the best of our ability.

The sponsors, Mr. and Mrs. Smith, have really made the organization a beehive of activity.

## Aviation Club

The Clyde Aviation Club is one of the few active high school aviation clubs in the state of Ohio. Here in our own school, it is one of the oldest of the various "outside-of-school" activity groups with an unbroken history of seven years.

As club members, many students have taken their first flight; some have continued after graduation to enter some phase of the aviation industry. Many have mastered the fundamentals of pilotage.

## Varsity Basketball Team 1960-61

The season's record shows three wins and fourteen losses. This, however, does not give a true picture of the season as far as the way the boys played. The boys were always working hard while on the floor, and they didn't give up until the final whistle of the game. Of the fourteen losses in ten of the games, Clyde put up a determined fight to win. The boys have exhibited a sincere desire to win while representing their school.

The Team will lose seven seniors this year who will be missed during next year's season.

## *Reserve Basketball Team 1960-61*

This year we have high hopes for our reserve team. The boys show the results of good coaching in the past by Mr. Wright who coached them for two seasons. Coach Kollman took over this year and led the boys to a very successful season.

As a team they have good size and speed, and the one thing that will help them more than any other is the spirit they have shown so far. If they continue to work as hard in the future, they will become a truly fine team.

Now listen here you Seniors!

Clyde's here somewhere

A handy man to have around

Oh girls! Oh, girls!

Wowsers.

Where did all the hands come from?

No Comprendal

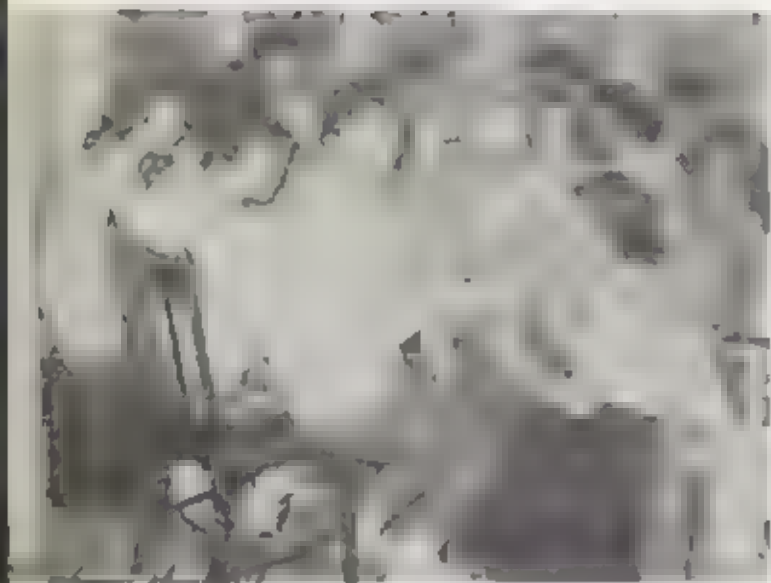

The evening before

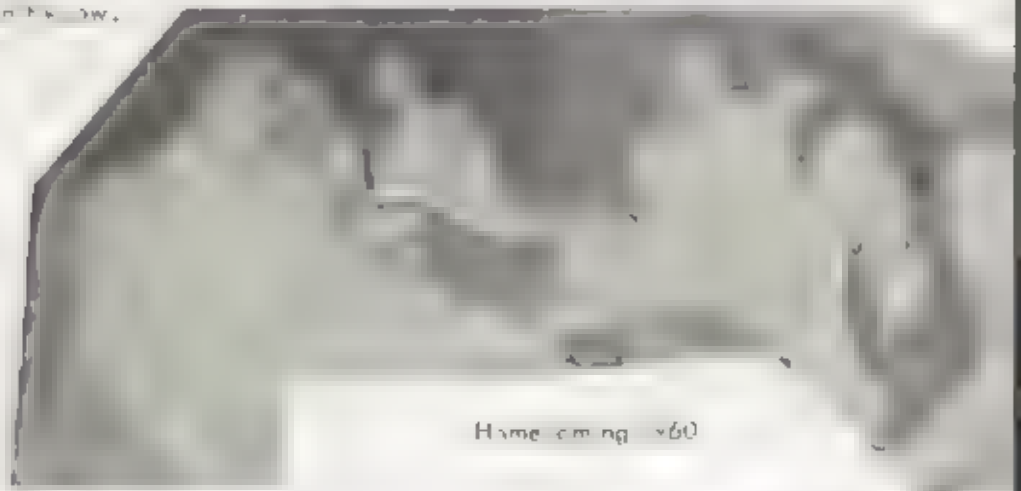

The morning before

After the p.m.

The morning after  
the night before

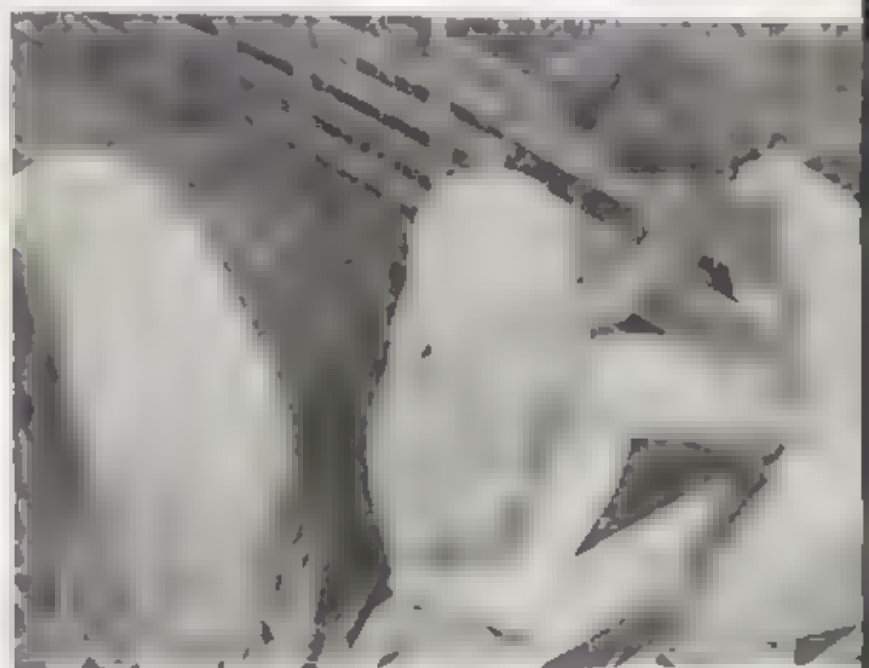

Home coming

The morning

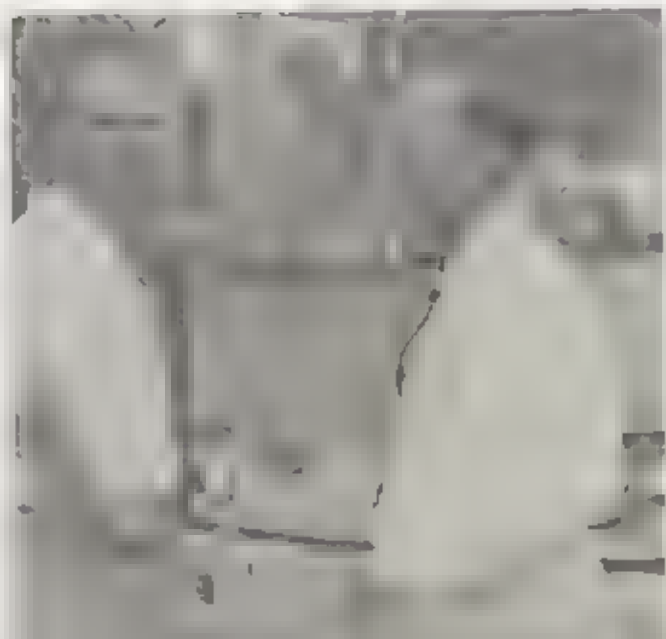

The morning

Nature Girl  
Tell us we didn't stop you

Me, In the morning

The morning

What a group!

My back my back,

Guess you caught me

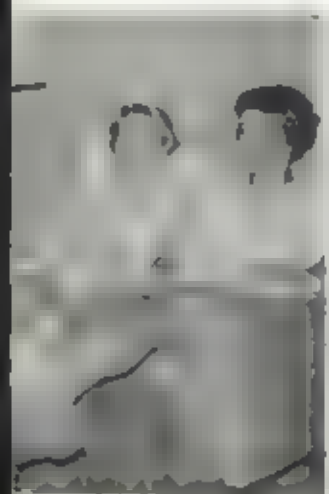

What's new?

Keep it up

Don't tell

Nice and comfy

Big Huh?

We'll be

Sh--

Oh no!

Me Big Chief

Three Miss Americas

What a sight

We I, are you sorry?

Guess who won?

Reads the top line

Working hard

I want to tell you a secret

Go Smith Girl
